Honorary Fruit Fly Inspector Creed

I, ____________________________, promise, as an Honorary Fruit Fly Inspector, to learn the fruit fly lifecycle and how to properly identify the four (4) target fruit flies in Hawaii: 1) Oriental, 2) Melon, 3) Mediterranean and 4) Solanaceous Fruit Fly.

I promise to do my very best to pick up all infested fruits or vegetables and place them in bins, barrels, plastic bags, deep pits or under a mesh material to reduce fruit fly populations.

I will respect and take care of my Hawaii for future generations.

He mahalo keia i na mea a pau.
